## Meet Madison!

Madison is 14 and likes to start her day with a cup of coffee, especially from Starbucks. Madison enjoys watching and going to movies. Two of her favorites are Gemini Man and Charlies Angels, and her favorite movie character is Copper from Fox and the Hound. She enjoys T.V. shows such as Friends and Fosters. Madison also loves all kinds of music. Madison's favorite meal is seafood and she loves to go to Red Lobster. She also enjoys chicken hot dish and dove chocolate (especially dark chocolate). Madison's favorite colors are yellow and light blue and loves the quote "no rain makes no flowers."

Madison is a social gal and her friends are extremely important to her. She is known to be very kind and sweet, and would describe herself as funny, family oriented, smart, and resilient. Madison does well in school especially in English, North Dakota Studies, and science (which is her favorite class). She is involved with band, volleyball, and basketball and her favorite sports are volleyball and football. Madison plans to go to college and has said she wants to be a social worker that helps children in foster care. She is also interested in other professions such as photography, nursing, or interior decorating.

Madison enjoys animals and her favorite is a pig because they are cute. Madison also likes dogs and would enjoy living in a home that has a dog. Madison would prefer to be the oldest child in the home and she would appreciate having grandparents. Madison would one day like to get her license and drive a truck!

Madison's adoptive family must be able to provide stability, structure and provide an environment that is nurturing and supportive. Madison's team is only accepting inquiries from North Dakota at this time.
